Re: Commitment to Accessibility

Mid-Canada Mod Center is committed to providing an accessible environment for all stakeholders, including our clients, employees, job applicants, suppliers, and any visitors who may enter our premises, access our information, or use our services.

We strive to provide an accessible and welcoming environment for everyone by identifying and mitigating barriers in our workplace and ensuring that new barriers are not created. We are committed to meeting the needs of persons with disabilities in a timely and integrative manner that respects their dignity and independence to ensure persons with disabilities receive equal opportunities.

Providing an accessible environment is a shared effort, and we are committed to working with the necessary parties to make accessibility for all a reality. For more detailed information on our accessibility policies, plans, and training programs, please contact Madhav Priye, mpriye@midcanadamod.com.

Sincerely,

Kevin Birch
